

Altea, 5th August 2011

Dear friends,

Although I will soon be able to greet you personally as the new councillor of the Culture Department of Altea Town Council, I would like to introduce myself and put myself at your disposal. I have already spoken with your members at several events organised by your organisation, where we were able to exchange ideas and express our hopes for the future.

A new stage is about to begin. I would greatly appreciate any help and suggestions as I intend to set up a Culture Forum, in order to supply a platform where cultural associations can join forces and express themselves from. We would like it to be a place where any related subject of common interest may be debated, with equal opportunity and respect, in a horizontal joint effort.

We would also like to offer an office (to be shared) for your meetings at Palau Altea with P.C., telephone and Internet connection at your disposal.

If you are interested in the cultural activities held in Altea, would like to take on larger projects with other associations or need a place to hold meetings and for administrative tasks, we are open to any suggestions or enquiries. For this purpose, we invite you to a meeting at Palau Altea (press room) on Tuesday, 6th September 2011, at 8.p.m.

Until then , I remain at your disposal.

Best regards,
